"TAFT REPUBLICAN CLUB"

Official Proceeding of the Organization Meeting—Another Meeting Tuesday Night

There was held at the Bethel Baptist Church Tuesday night a mass meeting of the colored voters of the city of Maysville and the county of Mason. The meeting was called to order by Temporary Chairman, Rev. J. F. Drane. The Hon. E. W. Lane in an earnest and impressive manner reviewed the acts of the Republican party and urged the colored voters to support the standard bearers of the Grand Old Party at the polls in the coming election in November.

Mr. Lane said in part: "We are not here to pour out any invectives upon any candidate or any party, but that the Negroes of this country

and especially of Maysville and Mason county are for the Republican party and its leaders first, last and always."

The meeting went into a permanent organization with the following officers—

President—Rev. J. F. Drane.

Vice-President—James Griffy.

Secretary—Henry Fields.

Assistant Secretary—Samuel Countee.

Treasurer—John Chambers.

After the election of officers, the various Committees and Captains of voting Precincts were appointed.

Descendants of S. E. and Sally Grimes Hold Enjoyable Reunion Near Old Home in Adams County

The descendants of S. E. and Sally Grimes met in the vicinity of the old home in Adams county, Ohio, September 13th in a family reunion.

The occasion was a fitting revival of the annual family reunions which were such an invariable custom in former years.

The father died in 1884, at the age of 81 years, and the mother in 1891, at 87 years of age. Of the ten children who grew to maturity, six are still living. These—Lewis, Eliza (Mrs. Newkirk), Margaret (Mrs. Otto), Matilda (Mrs. Stewart), Frank and Calvin, whose ages

are 79, 78, 72, 69, 63, 60 years respectively—were all present, besides sons-in-law, Hamilton Parr and Abraham Newkirk, 82 and 81 years of age respectively.

There were also present eleven grandchildren, four great-grandchildren and many other relatives and friends of the old family.

The Freshman Class of the Maysville High School held a session yesterday morning to elect officers. The following were chosen—

President—J. Burgess Everett.

Vice-President—C. Duke Pearce.

Secretary—Miss T. Kirk.

Treasurer—James B. Shaw.

Men of Taste Have Found Our Fall Suits

Of unusual interest. Our lines comprise every color and cloth desired by men, young men and boys who are intelligent dressers. Colors are prominently in evidence this season. The young man with ideas of fashion will have little trouble making selection; so will the man with quiet taste find a wide display to suit him.

A word about our Men's and Boys' Shoes: Before we embarked in the shoe business we investigated among the leading best lines in the country. That we were wise in our selection is proven by our daily increasing shoe business. We believe we are the only shoe people in Maysville that guarantee satisfactory wear or "money returned" on all shoes except patent and shiny leathers. Hanan, Douglas and Walkover—no other house in the State that carries those three lines.

Mr. Thomas J. Barr of Cannel City, Ky., has been selected to succeed Prof. A. G. Spillman as Assistant Inspector of Mines. Prof. Spillman, whose headquarters were in Lexington, resigned the first of September to accept a position in the mines in Hopkins county.

Another Big Sale!

Not Buggies this time, though there are a few left that MUST be sold, regardless of price, but

PAINT The Celebrated Lion Paints.

For house, inside and out, roofs, barns, wagons and carriages. As sales seem to be the order of the day, and our buggy sale was such a phenomenal success, we feel emboldened to declare Another Big Sale in order to clean up our stock of Paints and to prevent our having to carry any of it over this winter. Beginning today all the Paints we have on hand will go; price positively no consideration. If you need Paint, now is your chance. Remember, too, we make good. You are not taking any chances—no C. O. D's, leakage, excessive express or freight charges. All you have to do is to come in and tell us what you desire to paint and what color you want and we will do the rest. Lion Paint will MAKE GOOD, for our guarantee is behind it.

AROUND THE WORLD

In Five Years—Joseph Mikulec, Professional Walker, in the City

Joseph Mikulec, expert professional long distance walker, started from Austria February 6th, 1906, and walked through France, Spain, Portugal, Africa and South America, and will walk 25,000 miles in five years for 25,000 crowns—\$5,000.

So far he has walked 14,000 miles, and expects to complete his journey in 1911 in the city of Agram, Austria, his starting point.

Joe is an intelligent chap, speaking six languages fluently.

The baggage carried by Joe consists of some books, in which he has the town officials to certify his presence, a fountain pen, raincoat and a pedometer, which records the distance walked. He wears a blue sweater, kaki trousers, canvas leggings and a soft hat.

He is 30 years old and weighs 135 pounds, 45 pounds less than when he started on his trip. He eats three meals a day, but his principal diet consists of vegetables.

He has only been in this country three and one-half months, but is highly delighted with America.

From here he goes to Cincinnati, leaving this afternoon.

FOR SCHOOL.

The doors are swinging open—is the little woman ready to enter? School clothes are as necessary as school books—clothes that are comfortable, suitable, serviceable. Have you investigated the remarkable bargains we're giving in plaid dress goods? Reductions are decisive, and with the exception of three pieces that are slightly wrinkled, as described below, the goods are reduced in spite of their merit, and not because of any imperfection:

\$1 Yard for \$1½ Grade

Black and white check Serge of beautiful quality. Fresh, clean goods, not the rummage of last season.

50c Yard for \$1 Grade

Plaid Serge 44 inches wide in rich dark colors and heavy firm weave to withstand hard usage. Generous assortment.

50c Yard for 90c Grade

Gray, and tan wool Crepe of firm finish and splendid wearing quality. Solid color, but as bargains deserving place with the plaids.

39c Yard for 50c Grade

Bright Tartans, wrinkled from use in store drapery—wrinkled but not soiled—an ill quickly cured.

25c Yard for 40c Grade

Not plaid, but too good a bargain to miss mention. 27-inch all-wool, green ground with flecks of white.

10c Yard for 25c Grade.

Henly Plaid—not wool, of course, but as pretty as goods many times the price.

Checks and Plaids

A big assortment, chiefly light colors, in splendid wool fabrics that are reduced as follows: The 50c grade 29c. The 60c grade 39c. The \$1.25 grade 75c.

THE TAILORED SUIT

Comfortable, convenient, smart, jaunty and charming by reason of the New Autumn Styles, it is no wonder that women are delighted by the constant arrivals in our suit department. Have you investigated?

Would make us love the weather man.
—Chicago Record Herald.

After suffering for seven years, this woman was restored to health by Lydia E. Pinkham's Vegetable Compound. Read her letter.

Mrs. Sallie French, of Paucunla, Ind. Ter., writes to Mrs. Pinkham: "I had female troubles for seven years—was all run-down, and so nervous I could not do anything. The doctors treated me for different troubles but did me no good. While in this condition I wrote to Mrs. Pinkham for advice and took Lydia E. Pinkham's Vegetable Compound, and I am now strong and well."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?

Don't hesitate to write to Mrs. Pinkham if there is anything about your sickness you do not understand. She will treat your letter in confidence and advise you free. No woman ever regretted writing her, and because of her vast experience she has helped thousands. Address, Lynn, Mass.

Government Homesteads And How to Secure Them

From Collier's Weekly, February 1st, 1908.

Wanted: An Opening.

"Where is this place? One who lives in an Eastern city writes this letter, one who is typical, surely, of many in whom adversity lately has caused serious thought about their lot in life:

"Is there any section in these United States to which the many men who are being daily thrown out of employment in the cities may emigrate and begin life again—begin, this time, as their own masters, or in some way that will secure them against being thrown out again at the next panic? The class to which I refer is composed of unmarried young Americans of the intelligent, physically hardy and ambitious type seen so frequently during the good times in Banks and offices—clerks, salesmen and the like, who have saved up from \$500 to \$1,000.

"Obviously there are such places, and there are answers to this man more truthful and cheerful than to lament the passing of Government free homesteads in the West."

Free Homesteads in the West Have Not Yet Passed Away

Fergus county, Montana, contains over 1,000,000 acres of farm land open for homestead entry. In Custer, Yellowstone and Rosebud counties there are several million acres of Government land open for entry. In Butte county, South Dakota, are thousands of acres awaiting homesteaders.

The land is excellent for general or mixed farming, and Uncle Sam gives you a cordial invitation to go out and help yourself to a 160-acre farm. No drawing is necessary; first come, first served. When patented this land is worth from \$10 to \$18 per acre, and will constantly increase in value. The Government fees do not exceed \$42 for homesteading 160 acres.

Since the time when the more adventurous of the early settlers struggled over the Allegheny Mountains there has never been a better opportunity for the ambitious young American than is now offered in the West by the building of this latest transcontinental railway—the Pacific Coast Extension of the Chicago, Milwaukee and St. Paul Railway.

A pamphlet on "Government Homesteads and How to Secure Them" is free for the asking; also, several other publications giving information about this new country of interest to the workingman, farmer, orchardist, stockman, merchant, professional man and investor.

AFFINITY WANTS CLOTHING

And Asks That the "Rev." Roseberry Be Let Alone

The citizens of Willmore are highly indignant at the elopement of Rev. H. E. Roseberry of that place with sixteen-year-old Carrie Mastin, and that if Roseberry goes back there before the excitement has died down, he may be roughly handled.

The mother of the girl received a letter mailed at Chattanooga, Tenn., from her daughter saying that she married H. R. Franklin of Louisville.

The letter did not state when the ceremony was performed or where it took place.

The family do not believe that any ceremony was ever performed, and believe that the girl is still with Roseberry. In the letter the girl said that she and her husband were going to Texas and that "she wished people would leave Mr. Roseberry alone."

The young woman also asked that her clothing be forwarded to her.

However, the licking is not disheartening when one stops to consider that only two men really played on the Equity team—Messrs. Jefferson and Bowling. The aforesaid Mr. Jefferson persisted in bowling the ball to his receiver, Bowling, to the tune of 18 men. If the other seven men on the team had clothes baskets some few people would have gone over in the direction of Lawrence Creek by the aeroplane route, which is now so popular.

THE PEOPLE ALL

As Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes," Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
